

Title: The Agenda with Steve Paikin: Wired 24/7?

Date: Oct 20, 2009 08:00 PM

URL: <http://pirsa.org/09100067>

Abstract: In our lifetime we have seen a broad transformation in the way we interact with technology in our daily lives. And further developments in technology promise a continued impact. Are we comfortable living in a world that never shuts off? How has this technology affected us, our thinking, our relationships and the way our work works? Is technological progress always for the better? Be part of the live studio audience for this special edition of TVO's Agenda with Steve Paikin.
